Job advert: Spanish language tutor

The London Learning Cooperative is recruiting! We are looking for a part-time Spanish language tutor to co-design and deliver group and 1-to-1 Spanish language tuition, aiming to commence the course in July 2020. Though not essential, the ideal candidate will be based in Venezuela.

About LLC

LLC is a radically inclusive, internationalist and anti-imperialist tuition agency. We connect students wanting to learn languages with tutors in formerly and currently colonised societies like Palestine, Pakistan and Ireland. We seek to discuss and understand imperialism in order to set about reversing its flows of wealth, people, knowledge and power. We connect students and teachers via online platforms to foster language and cultural exchange, and in doing so are building a truly global network.

We have spent the last several years developing our international network of tutors. We now have a presence in France and Britain as well as Ireland's occupied six counties, Pakistan and Palestine. We're now seeking to expand to Latin America.

Our tuition agency is committed to four principles:

1. Radically inclusive pricing. Students pay what they can afford for a lesson.
2. Learning as a dialogue aimed at understanding and transforming society and the economy.
3. Creating bonds of solidarity between imperial core and periphery.
4. Workers' power and democratic, cooperative governance.

About the role

The role has three key components:

- Development of a basic Spanish language syllabus, situated in historical context, as well as the context of the international trade union movement.
- Delivering the syllabus online in group (maximum 8 students) and 1-to-1 contexts.
- Collaborating with LLC staff to develop and grow our Spanish language tuition.
