About tLC

tLC is a radically inclusive, internationalist and anti-imperialist tuition agency. We connect students who want to learn a variety of subjects with tutors in the imperial periphery, including in formerly and currently colonised societies like Palestine, Pakistan and Ireland. We are committed to understanding imperialism in order to contribute to the political coalition that sets about reversing its flows of wealth, people, knowledge and power. We connect students and teachers via online platforms to foster language and cultural exchange, and in doing so are building a truly global network.

Our workers' co-operative is committed to three principles:

1. Highly inclusive pricing. Students pay what they can afford for a lesson.
2. Learning as a dialogue aimed at understanding and transforming society and the economy.
3. The creation of bonds of solidarity between imperial core and periphery.
